

Physical Science Supply List – Spring 2019:

- A 5-subject notebook (please make sure it is a 5 subject)
- A graphing or scientific calculator (don't go out an buy a graphing calculator if you don't have one, a scientific calculator will work just fine)
- Pencils/pens
- Highlighters (at least 2 different colors)
- Scissors
- Colored Pencils or non-bleed through markers
- Glue Stick or tape (note...if you go with tape you will need quite a bit during the semester)
